ROUGH READY™

PORTABLE **MAGNETIC** WORK LIGHT • CLASS I DIV 1

Key Features:

- Class I Division 1 Certified – Safe for explosive gas environments, Groups B, C, and D.
- Hydrogen-Safe Operation – Engineered for reliable ignition-free performance in hydrogen-rich work zones.
- High-Efficiency LEDs – 160 lm/W output with impact-resistant tempered glass lens protection.
- Compact & Portable Design – Lightweight 6" housing ideal for tight or confined spaces.
- Magnetic Power Mount (60W Only) – Rare-earth magnets deliver 150 lb hold for rapid placement.

Technical Specifications

Specifications	RR-60 Magnetic
Hazardous Location Rating	Class I, Division 1, Groups B, C, D
Light Output	9,600 lumens
Power Consumption	60 Watts
Input Voltage Range	100–277 VAC / 347–480 VAC
Mount Type	High-Strength Magnetic Mount (150 lb Hold Force)
Net Weight	12.5 lbs
